

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SE2569NM

This Certificate issued to Javelin Conversions, Inc.
8421 Nelms Street
Houston, Texas 77061

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 13 of the Civil Air Regulations.

Original Product Type Certificate Number : E14EA
Make : Lycoming
Model : TI0-540-V2AD

Description of Type Design Change:

Relocation of Turbocharger, intercooler, fuel control unit, and upper engine mounts plus associated changes in accordance with Air America Master Drawing List AA50900 Rev. "F", dated May 6, 1985 or later, FAA sealed revision. Supplemental Type certificate SA2568NM is required as part of this installation.

Limitations and Conditions :

The approval of this change in type design applies to the specified model that is otherwise unmodified. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 27, 1984

Date of issuance : May 23, 1985

Date reissued : January 2, 1986,
April 25, 1990, October 30, 1991,
June 5, 1996, July 31, 2012

Date amended :

By direction of the Administrator
