Supplemental Type Certificate
(Continuation Sheet)

Number SA1597NM

Date of Issuance: December 18, 1984

Date Amended: August 06, 1985

Reissuance Date: July 21, 2005

Limitations and Conditions (Continued):

1. FAA approved Flight Manual Supplement, dated December 17, 1984 or later FAA approved revision is required.
2. FAA approved Maintenance Manual Supplement, dated December 17, 1984 or later FAA approved revision is required.
3. This approval should not be extended to aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.
4. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
