R-S Sales, Inc.
170 O'Connor Road
Lewiston, ID 83501

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product—Type Certificate Number: H2SW
Make: Bell
Model: 206 Series (Restricted Category)

Description of the Type Design Change: Installation of Automatic Flagman Model No. 5 Dispenser System, in accordance with Automatic Flagman Master Drawing List No. 300, Revision New, dated November 23, 1999, and North American Industries, Inc., Installation Instructions No. 206-1000, dated October 1, 1979, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model rotorcraft only. This approval should not be extended to other rotorcraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer, that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this Certificate must be maintained as part of the permanent records for the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
