## Memorandum

Date: July 29, 2019

To: See Distribution List

From: Daniel J. Elgas, Manager, Certification Procedures Branch,  
Policy and Innovation Division, AIR-6C0 

Prepared by: Susan McCormick, Aerospace Engineer, Design Certification Section,  
Policy and Innovation Division, AIR-6C1

Subject: Deviation to FAA Order 8110.4C, *Type Certification*, Chapter 4,  
paragraph 4-16 a. – STC and Amended STC Applications, Using the Application  
Form.

Memo No.: AIR600-19-6C0-DM123

---

---

This memorandum authorizes the use of instructions provided with FAA Form 8110-12, Application for Type Certificate, Production Certificate, or Supplemental Type Certificate when applying for a supplemental or amended supplemental type certificate. It voids the use of the instructions within FAA Order 8110.4C, *Type Certification*, paragraph 4-16 a. for completing FAA Form 8110-12. The FAA has modified the blocks on FAA Form 8110-12 and the instructions in the order no longer conform to the blocks on the new form.

Subsequent to the issuance of the revised FAA Form 8110-12, the FAA identified a discrepancy between the instructions provided in the order and those accompanying the new form. The FAA has begun work on a revision to FAA Order 8110.4 to update various content and address this issue.

This discrepancy was also identified in the June 2019 AVS Audit and documented as a Nonconformity and Corrective Action (NCA-19-0444). To correct the nonconformity, FAA Order 8110.4C, *Type Certification*, paragraph 4-16 a. will be revised to update the instructions for FAA Form 8110-12. The FAA anticipates the order to be revised by September 30, 2020.

A deviation is granted to use the instructions provided with FAA Form 8110-12 in lieu of the instructions provided in FAA Order 8110.4C, paragraph 4-16 a. This memorandum will be canceled upon publication of a revision or change to FAA Order 8110.4C.

This deviation is effective upon the issuance of this memorandum. If you have any questions or require any additional information, please contact Susan McCormick, at email [susan.mccormick@faa.gov](mailto:susan.mccormick@faa.gov) or at telephone (206) 231-3242.
