

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST00766WI

This certificate issued to Diamond J, Inc.
2020 W. Harry
Wichita, KS 67213

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: A33EU
Make: Avions Marcel Dassault - Breguet Aviation (AMD/BA)
Model: Falcon 10

Description of Type Design Change:

Installation of replacement N1 engine instrument per Diamond J, Inc. drawing 22010-001 dated March 22, 1999, or later FAA approved revision.

Limitations and Conditions:

Compatibility of this design change with previously approved modifications must be determined by the installer
If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This STC is for installation on Falcon 10 aircraft with TFE731-2-1C or TFE731-2C-1C engines only.

This STC must be installed on both the left and right engine N1 displays, installation of this STC for one N1 display is unacceptable.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 23, 1999

Date reissued:

Date of issuance: May 14, 1999

Date amended: July 27, 1999

By direction of the Administrator
