

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA00022WI

This certificate, issued to Webco Aircraft Co.
1134 N. Oliver
Newton, KS 67114

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations effective May 15, 1956, plus amendments listed in the Type Certificate Data Sheet.

Original Product — Type Certificate Number: A1EA

Make: Piper

Model: PA30, PA39, PA24-250 (SN 24-2844 and up), PA24-260, PA24-400

Description of Type Design Change:

Installation of seals on lower surface of airplane between the wing, ailerons and flaps per Webco Aircraft Drawing Number WDGS2010 stamped "FAA Approved" with a date of February 1, 1993, or later.

Limitations and Conditions: This approval should not be extended to other specific airplanes of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of those airplanes.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 18, 1992

Date issued:

Date of issuance: February 1, 1993

Date amended: May 24, 1993

By direction of the Administrator
