

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA1334WE

This certificate issued to

Franklin Aircraft Engines, Inc.
136 Racquette Drive
Fort Collins, CO 80524

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part of the Regulations.

Original Product - Type Certificate Number: 3A12

Make: CESSNA

Model: 172B thru G

Description of Type Design Change: Installation of Franklin 6A-350-C2 engine and McCauley 2A31C/84S-6 propeller in accordance with Columbia Marine, Inc. Kit No. 105.

Limitations and Conditions: This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

Refer to Columbia Marine, Inc. FAA Approved Flight Manual dated January 26, 1967, Revised September 24, 1968, which is required with this modification.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

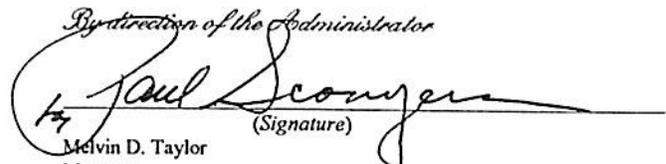

Date of application: January 17, 1967

Date reissued: June 07, 1996; July 19, 2000

Date of issuance: January 26, 1967

Date amended: September 26, 1968

By direction of the Administrator
