Description of Type Design Change:

Installation of two (2) double seats to increase passenger configuration from 44 to 48 with Hayes International Corporation Drawing No. A262, dated August 8, 1979, or later FAA approved revision.

Limitations and Conditions: Approval of this change applies basically to CONVAIR Model 340 and 440 airplanes only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. This determination should consider weight or weight distribution changes. If the
